If Licensee does not agree to be bound by the terms of this EULA, Licensee may not register, access or use the SOFTWARE in any way, and Licensee (either itself or through any of its employees) must not check and/or click any "I Accept" or similar box or button associated with this EULA during the SOFTWARE installation, activation, and/or download process, as applicable.

Regardless, Licensee may use the SOFTWARE only as expressly permitted in this EULA. Licensee acknowledges and agrees that installation and/or use of SOFTWARE may be subject to activation by license key or profile.

- f) Copies. Licensee may copy the Documentation to the limited extent reasonably necessary to facilitate Licensee's permissible use of the SOFTWARE in accordance with this EULA. Licensee may NOT copy the SOFTWARE.
- g) Reservation of Rights. FAST reserves all rights not expressly granted herein.

3) **Intellectual Property**

- a) Ownership. Licensee acknowledges and agrees that the SOFTWARE and the Documentation constitute valuable trade secrets of FAST and/or its affiliates, licensors and suppliers (as applicable). Licensee further acknowledges and agrees that FAST, its affiliates, and/or its licensors (as applicable) own all right, title, and interest in and to: (i) the SOFTWARE and Documentation (including, without limitation, any and all copies, extracts, and associated media thereof, all concepts, logic, protocols, and specifications related thereto, all images, "applets," photographs, animations, video, audio, and/or text incorporated therein); (ii) all ideas, suggestions, or feedback relating to the SOFTWARE or Documentation ("Feedback"); and (iii) all patents, trademarks, trade names, inventions, copyrights, know-how, trade secrets, and other intellectual and industrial property rights, and any related applications or extensions, relating to the items set forth in subparts "(i)" and "(ii)". Licensee shall not attempt to register any copyrights, register any trademarks or service marks, or apply for any patent or other intellectual property protection for the SOFTWARE, Documentation or any portion thereof. Licensee hereby irrevocably assigns and agrees to assign all of its right, title, and interest in and to any Feedback to FAST.
- b) Copyright; Copies. Without limitation of FAST's other rights, Licensee acknowledges and agrees that the SOFTWARE and Documentation are protected by United States copyright laws and international treaty provisions. Subject to the express license grants set forth herein, Licensee must treat the SOFTWARE and Documentation like any other copyrighted material.
- c) Licensed Not Sold. Licensee acknowledges and agrees that the SOFTWARE and Documentation have been licensed to Licensee pursuant to the terms and conditions of this EULA and that neither the SOFTWARE nor Documentation has been sold to Licensee.
- d) Open Source Software. Licensee hereby acknowledges that the SOFTWARE may utilize or include Third Party Software and/or Open Source Software that must be licensed under the specific license terms applicable to such Third Party Software or Open Source Software ("Other Licenses"). To the extent any such Other Licenses require that FAST provide Licensee the rights to copy, modify, distribute or otherwise use any Other Licenses that are inconsistent with the limited rights granted to Licensee in this EULA, then such rights in the applicable Other Licenses shall take precedence over the rights and restrictions granted in this EULA, but solely with respect to such Third Party Software and/or Open Source Software. Licensee shall comply with the terms of such Other Licenses. Nothing in this EULA shall obligate FAST to provide any support for Third Party Software or Open Source Software. Other Licenses associated with Third Party Software or Open Source Software applies only to that Third Party Software or Open Source Software and not the other software included in the SOFTWARE.

4) **Restrictions and Limitations**

- a) General Use Restrictions. Licensee shall not use, copy, merge, or transfer copies of the SOFTWARE or the Documentation except as may be expressly and specifically authorized in this EULA. Licensee shall not knowingly take any action that would cause the SOFTWARE to be placed in the public domain.
- b) No Reverse Engineering; No Modification. Licensee may not, under any circumstances, reverse engineer, decompile, disassemble, or otherwise attempt to discover, reconstruct, or identify the source code for the SOFTWARE or any user interface techniques, algorithms, logic, protocols, or specifications included, incorporated, or implemented therein. Furthermore, except as expressly authorized by FAST in the Documentation, Licensee may not, under any circumstances, modify, port, translate, or create derivative works of the SOFTWARE or Documentation.
- c) Rental; Leasing. Licensee will not transfer, sell, assign, sublicense, rent, lease, lend, subcontract, delegate or otherwise transfer, either in whole or in part, the SOFTWARE, the Documentation, its rights under this EULA to third parties, including without limitation, by operation of law, without FAST's prior written approval and subject to written agreement by the recipient to the terms of this EULA. Licensee shall not transmit the SOFTWARE from one computer to another or over a network, or use the SOFTWARE in connection with any hardware or software that modifies the number of computers or users that directly access or use the SOFTWARE, and Licensee shall not otherwise do anything to circumvent the limitations and restrictions in this EULA.
- d) Export Restrictions; Compliance with Laws. Licensee will not, directly or indirectly, export or transmit the SOFTWARE or Documentation to any country to which such export or transmission is restricted by any applicable law, regulation or statute, without the prior written consent, if required, of the Bureau of Export Administration of the U.S. Department of Commerce or such other governmental entity as may have jurisdiction over such export or transmission. Licensee agrees to comply with and conform to all applicable laws, regulations, ordinances, and executive orders relating to Licensee's use of the SOFTWARE.
- e) Markings. Licensee will not alter, remove or obscure any marking, label or notice, if any, from the Software or Documentation. If Licensee makes any copies of the SOFTWARE or Documentation in accordance with this EULA, Licensee must reproduce in all such copies all proprietary notices, labels or marks contained in the originals.

5) **Use Audit**

- b) Termination. Licensee may terminate this EULA and the license(s) granted herein by ceasing all use of the SOFTWARE and Documentation. This EULA including, without limitation, the licenses granted herein will automatically terminate if Licensee fails to comply with any term or condition of this EULA. The SOFTWARE may contain code that can disable most or all of the features of the SOFTWARE upon termination of this EULA.
- c) Licensee Obligations Upon Termination or Expiration. Licensee agrees, upon any termination or expiration of this EULA, to cease use of, and to destroy or return to FAST, all copies of the SOFTWARE and Documentation. Upon any termination or expiration of this EULA, Licensee shall have no rights to use the SOFTWARE or Documentation. Sections 1, 3, 4, 5, 6, 7, 8, 9, and 10 of this EULA shall survive any termination or expiration of this EULA and continue in full force and effect.

- c) OTHER SOFTWARE. FOR THE AVOIDANCE OF DOUBT, LICENSEE ACKNOWLEDGES THAT ANY OPEN SOURCE SOFTWARE OR THIRD PARTY SOFTWARE THAT IS INCLUDED IN THE SOFTWARE IS PROVIDED "AS IS," AND FAST DOES NOT MAKE AND SPECIFICALLY DISCLAIMS ALL EXPRESS AND IMPLIED WARRANTIES OF EVERY KIND RELATING TO SUCH SOFTWARE AND/OR USE THEREOF (INCLUDING, WITHOUT LIMITATION, EXPRESS AND IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE AND FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT), AS WELL AS ANY EXPRESS OR IMPLIED WARRANTIES THAT SUCH SOFTWARE (OR ANY ELEMENTS THEREOF) WILL ACHIEVE A PARTICULAR RESULT, OR WILL BE NON-INFRINGEMENT, UNINTERRUPTED OR ERROR-FREE.

FURTHER, IN NO EVENT SHALL FAST'S MAXIMUM, AGGREGATE LIABILITY IN CONNECTION WITH THIS EULA, THE SOFTWARE, DOCUMENTATION AND/OR ANY USE OF THE SOFTWARE OR DOCUMENTATION EXCEED THE TOTAL AMOUNT ACTUALLY PAID BY LICENSEE FOR THE SOFTWARE.
- e) Responsibilities of Licensee. Licensee shall have the sole and exclusive responsibility to select and determine whether the SOFTWARE and the Licensee's use in accordance with the terms of this EULA will meet Licensee's needs. Licensee shall pay directly, or reimburse FAST, for all taxes, assessments, permits and fees which are, or may be in FAST's reasonable opinion, levied upon the Licensee's execution or acceptance of this EULA or use of the Software, exclusive of any income taxes owed by FAST on its net income. As a licensee of the SOFTWARE, Licensee is solely responsible for the proper installation and operation of the SOFTWARE in accordance with the instructions and specifications set forth in the Documentation. FAST shall have no responsibility or liability to Licensee for improper installation or operation of the SOFTWARE. Licensee represents and warrants that Licensee has full power and authority to enter into this EULA and to perform its obligations hereunder and this EULA constitutes a legal, valid, and binding obligation on Licensee's part, enforceable in accordance with its terms.

8) **Governing Law; Enforcement**

- a) Governing Law. This EULA and the rights and obligations of the parties hereunder shall be governed by and construed in accordance with laws of the state of Florida, without giving effect to the principles of choice of law thereof. Any action brought by a party shall be brought exclusively in the federal and state courts located in Hillsborough County, Florida. All parties agree to submit to the exclusive jurisdiction of those courts and waive trial by jury. THIS EULA WILL NOT BE GOVERNED BY OR INTERPRETED IN ANY WAY BY REFERRING TO ANY LAW BASED ON THE UNIFORM COMPUTER INFORMATION TRANSACTIONS (UCITA), OR THE UNITED NATIONS CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALE OF GOODS IS HEREBY EXCLUDED.
- b) Equitable Relief. Licensee acknowledges that any actual or threatened breach of the provisions of this EULA will constitute immediate, irreparable harm to FAST and its licensors (as applicable) for which monetary damages would be an inadequate remedy; that injunctive relief is an appropriate remedy for any such breach or threatened breach; and that, in such event, FAST (and/or its licensors, as applicable) will be entitled to immediate injunctive relief without the requirement of posting bond.

9) **Invalidity of Provisions**

If any provision in this EULA is invalid or unenforceable, such provision shall be construed, limited, or altered, as necessary, to eliminate the invalidity or unenforceability and all other provisions of this EULA shall remain in effect.

10) **Miscellaneous**

- a) This EULA and the terms of service posted on the Website (and all documents referenced therein) set forth the entire agreement between FAST and Licensee with respect to the SOFTWARE and Documentation and Licensee's use thereof. In the event of any discrepancy or conflict between the terms and conditions of this EULA and the terms of service posted on the Website, the terms and conditions of this EULA shall govern. Both parties hereby acknowledge and agree that any and all suppliers, distributors and licensors of FAST (and any and all licensors of FAST's licensors) shall be direct and intended third party beneficiaries of this EULA (including, without limitation, the provisions regarding intellectual property ownership, and the disclaimers of warranties and limitations on liability, as set forth herein), with the right to directly enforce the same. No failure or delay in exercising any right or remedy shall operate as a waiver of any such (or any other) right or remedy. The language of this EULA shall be construed as a whole, according to its fair meaning and intent, and not strictly for or against either party, regardless of who drafted or was principally responsible for drafting this EULA or any specific term or conditions hereof. All section headings are for reference only and shall not be considered in construing this EULA. This EULA shall bind and inure to the benefit of the parties and their successors and permitted assigns. Both parties are acting as independent contractors with respect to the activities hereunder. In the event of any legal proceeding between the parties arising out of or related to this EULA, the prevailing party shall be entitled to recover, in addition to any other relief awarded or granted, its costs and expenses (including but not limited to reasonable attorneys' and expert witness' fees) incurred in any such proceeding.
- b) FAST may revise the terms of this EULA and provide such revised terms to you from time to time. Such revised terms will be binding upon your checking and/or clicking the "I Accept" or similar box or button associated with such revised terms or upon installing any Update provided to you.
